international scientific committee on mural painting

# Call for Hosts

The ICOMOS ISCMP (International Scientific Committee on Mural Painting) is pleased to launch the CALL for HOSTS for its 1st INTERNATIONAL WORKSHOP, planned to be held in the second part of 2025. This exceptional event will mainly bring together all members of the ICOMOS ISCMP and represents a unique opportunity for you to support the international Mural Painting conservation community.

## Who we are: The ICOMOS International Scientific Committee on Mural Painting (ISCMP)

**Recently renewed, ISCMP's main mission is to research and promote the understanding, protection, conservation and management of mural painting, as well as and their value and significance!**

ICOMOS is a unique non-governmental, not-for-profit international organisation committed to furthering the conservation, protection, use and enhancement of the world's cultural heritage.

Over the course of the last year, we have gathered many members from around the world and we continue to grow!

For more information please consult: <https://muralpainting.icomos.org/>

## The event: 1st ISCMP INTERNATIONAL WORKSHOP

The 1st ISCMP International Workshop will be held in hybrid format (both in person and online) and we are seeking a **host** for this event!

We are looking for a partner and a space that will facilitate a dynamic workshop-style gathering. This will allow all of our members to meet informally, share their expertise, and collaborate. The event will focus on identifying research needs within the international mural painting conservation and research community, providing opportunities for networking and knowledge sharing.

2

# Call for Hosts

## Host benefits:

Hosting our workshop presents your institution/organisation with a unique opportunity to connect with leading experts and practitioners in mural painting conservation and research from diverse backgrounds and regions, while also gaining exposure within the larger community!

In addition, your staff and/or students will benefit from discounted registration for the event, giving them access to workshops, presentations, and discussions aimed at enriching their expertise in mural conservation and research. Your venue's invaluable contribution to the success of the workshop will further be prominently recognized in event materials, communications, and publications, showcasing your dedication to supporting advancements in mural painting research and conservation efforts.

## Event details:

- Planned Period: September - October 2025
- Maximum duration: 3 days
- Languages used: English, French, Spanish

## Desired venue:

- accessible by international airport or train station;
- a large room allowing collaborative work
- a space near the main meeting room for refreshment breaks;
- availability of technical equipment and support allowing for a fully hybrid meeting;

To discuss a potential collaboration as host, or for more details, please contact the ISCMP Bureau at: [muralpainting@icomos.org](mailto:muralpainting@icomos.org) by **October 31, 2024**

We look forward to hearing from you!
